RGPV Bhopal

OBJECTIVE

Enthusiastic B.Tech CSE student from RGPV Bhopal with hands-on experience in Frontend Development. Looking for an opportunity to contribute to real-world projects at a growth-oriented company and enhance my skills in modern web technologies.

ABOUT ME

I am a Computer Science Engineering student passionate about web development and clean UI design. I enjoy building responsive websites and learning new frameworks. Quick learner and team player.

EDUCATION

B.Tech in Computer Science & Engineering

RGPV - Rajiv Gandhi Proudyogiki
Vishwavidyalaya, Bhopal
2022 - 2026 | CGPA: Pursuing

SKILLS

HTML5

CSS3

JavaScript

Responsive Design

Git & GitHub

UI/UX Basics

EXPERIENCE

Frontend Development Intern

[Spirex Foundation](#)

Developed and optimized frontend components using HTML, CSS, JS. Worked on improving website performance and user experience.

PROJECT

Student Portfolio Card

HTML / CSS / JS

Created a modern, responsive student portfolio card with dark/light mode toggle, animated skill bars, and contact integration. Focused on clean UI and mobile-first design.
